

PXIL MD & CEO joins CEA's Brainstorming Conclave on 'Indian Power Sector Scenario 2047'

New Delhi, 15 October 2024 –

Shri Satyajit Ganguly, MD & CEO of Power Exchange India Limited (PXIL), took part as a key speaker in a pivotal session on "Cross Border Trade and Power Market," hosted by the Central Electricity Authority (CEA) at JW Marriott, New Delhi. The event, part of CEA's two-day Brainstorming Conclave on the 'Indian Power Sector Scenario 2047,' focused on shaping the future of India's power sector.

Shri Ganguly highlighted PXIL's crucial role in facilitating cross-border electricity trade and emphasized the exchange's commitment to providing a transparent, reliable trading platform. The session aimed to explore the increasing significance of cross-border electricity exchanges, which are seen as essential for strengthening energy security and enhancing regional cooperation.
