

PXIL Organizes Workshop on Power Market in Kolkata

13th December 2024

KOLKATA: Power Exchange India Limited (PXIL) successfully conducted a workshop on power market in Kolkata on 13th December 2024. The event saw active participation from officials of the Damodar Valley Corporation (DVC), marking a significant step toward fostering collaboration and knowledge-sharing within the power trading ecosystem.

The workshop commenced with a warm welcome address by Mr. Ambrish Kumar Khare, Head of Business Development at PXIL. Mr. Khare set the tone for the session with an insightful presentation that highlighted PXIL's comprehensive product offerings. He emphasized how PXIL's innovative solutions are designed to meet the dynamic needs of the power market participants, encouraging efficient and transparent power trade.

Following Mr. Khare’s presentation, Mr. Shashwat Srivastava, AVP, Business Development at PXIL, took the stage to delve into the critical concept of market coupling. In his address, Mr. Srivastava elaborated on how market coupling can streamline power market operations, improve price discovery, and enhance grid efficiency.

The workshop concluded with an interactive Q&A session. Participants engaged in discussions on pressing issues related to power trade, regulatory developments, banking issues and market mechanisms. The session facilitated a deeper understanding of market dynamics and provided an opportunity for knowledge exchange between PXIL and DVC officials.

The event was part of PXIL’s ongoing initiative to strengthen its relationship with stakeholders like DVC and foster collaboration in the rapidly evolving power sector. The workshop concluded on a high note, with participants expressing appreciation for PXIL’s efforts in creating a platform for dialogue, learning, and collaboration.
