Mumbai, January 27, 2023: PXIL successfully conducted REC trading for the month of January 2023, which was the second auction session under Central Electricity Regulatory Commission (Terms and Conditions for Renewable Energy Certificates for Renewable Energy Generation) Regulations, 2022 that came into effect from 5th December 2022.

A total of 0.94 lac RECs were successfully transacted in this session, prior to today's auction more than 175.5 lacs RECs were available in the market for trade. The trading happened under the backdrop of directions provided by Hon'ble Delhi High Court in their Daily Order dated 20.12.2022:

- Transaction in non-Solar RECs issued prior to 01.04.2017 with floor price of Rs. 1,500/MWh as directed by CERC vide its Order in Petition no 2/SM/2017 dated 30.03.2017
- Transaction in RECs of different technologies, e.g. Solar, Wind, Hydro, Small Hydro, Biomass and other types of Renewable sources, that are issued after 31.10.2022

The directive (a) was covered under Session ID REC2701202301 and directive (b) was covered under Session ID REC2701202302.

PXIL is thankful to all the participants for supporting the exchange platform in this segment and looks forward to continue serving all market participants in this and other segments as well.

About PXIL
