

PRESS RELEASE

Power Exchange Partner PXIL Energizes India Power Conference 2023

Issued On- 21st April 2023

New Delhi: Elekore Energy organized two days 4th Annual India Power Conference 2023 at New Delhi. In a grand gathering of energy experts, policymakers, and industry leaders, conference showcased the nation's commitment to advancing its power sector. One of the major power exchanges in India, Power Exchange India Limited (PXIL) participated in this conference in the capacity of Exchange Partner. The conference, which took place from 20th-21st April brought together a diverse array of voices and perspectives to address the challenges and opportunities in the Indian power industry.

Mr. Ambrish Kumar Khare, VP Business Development, PXIL joined the session titled on India Power Markets in the capacity of speaker. Mr. Khare shared his views on the changes in the structure of power market. He emphasized on the need of conversion from centralize to decentralize approach in power market domain.

Mr. Khare summarized his opinion with an appropriate statement "One Sun, One World, One Grid and One Market".

The conference was successful in terms of PXIL's engagement with various stakeholders of power sectors. PXIL grabbed the opportunity to catch the maximum eyeballs of delegates in terms of an exchange partner.

This year's conference, hosted at Hotel Le Meridian located at New Delhi, saw a focus on innovation, sustainability, and the transition to renewable energy sources, with discussions ranging from policy reforms to technological breakthroughs. The event was organized by Elekre Energy in collaboration with industry stakeholders, making it a premier platform for knowledge exchange and strategic planning.
