

## PRESS RELEASE

## Smart CIO Summit Recognizes PXIL's Outstanding Contributions with Lifetime Achievement Award in IT

## Mumbai, 6th March 2024:

The Smart CIO Summit, held at Courtyard by Marriott, Mumbai, on 6<sup>th</sup> March, brought together some of the brightest minds in the field of information technology. Mr. Ketan Chawda, Head IT and CISO at PXIL, was honoured as one of the top 100 CIOs at the Smart CIO Summit. After a rigorous deliberation process, the jury unveiled the top 3 contenders for the prestigious *Lifetime Achievement Award*.

While the competition was fierce, Mr. Chawda's stellar track record and groundbreaking initiatives positioned him as a strong contender for the esteemed accolade. The jury acknowledged his path breaking achievements in SaaS products, innovative advances in Mission-Critical-Real-Time applications, patent filed in

Mobile Technology VAS
Services, & winning the
Prime Minister's Award
under the PM's
AatmaNirbharBharatApp
Challenge as a Global
contender. His
leadership at PXIL and
his visionary approach

to IT solutions have left an indelible mark on the industry. Mr. Ketan Chawda being in the top 3 position for the Lifetime Achievement Award, underscores his enduring influence and dedication to innovation in information technology. Mr. Chawda expressed his gratitude for the acknowledgment and reiterated his commitment to driving technological excellence.
